**Subject:** LED Night Lights Recalled by Camsing Global Due to Burn Hazard

**Name of product:** LED night lights

**Hazard:** The LED night lights can overheat, smolder, and melt which may cause minor burns to consumers.

**Incidents/Injuries:** The firm has received five reports of the recalled LED night lights overheating, smoldering or melting. No injuries have been reported.

**Description:** The LED night light contains flame retardant elements, plugs into an electrical outlet, has a white or blue LED bulb, and a clear bulb cover. "Model SBD01", the number "E314462" and "Made in China" are stamped on the back of the night light's plastic white base. The night lights measure about 1 3/4 inches wide by 3 3/4 inches high.

**Distributed by:** Various companies as a free promotional product, imprinted with the company's name from December 2010 through March 2011.

**Remedy:** Consumers should immediately stop using the recalled night lights and discard them.

**Consumer Contact:** For additional information, contact Camsing Global toll-free at (877) 924-4624 between 9 a.m. and 5 p.m. ET, or visit the firm's website at [www.camsingglobal.com](http://www.camsingglobal.com)
