

November 30, 2011

Name of Product: Rocketfish(tm) Model RF-KL12 Mobile Battery Cases for iPhone 3G and 3GS

Hazard: The battery case can overheat while charging, posing a fire hazard.

Incidents/Injuries: CPSC and the firm have received about 14 reports of the battery cases overheating in the United States, including three reports of minor burns to consumers and four reports of minor property damage.

Description: This recall includes the Rocketfish(tm) Model RF-KL12 Mobile Battery Case. The battery case is made of black lightweight, soft-touch rubberized material designed to hold the phone securely, and comes with a built-in battery. The model number "RF-KL12" appears on the front of the product's packaging, on the packaging barcode, and in white print on the curved inner surface of the product.

Remedy: Consumers should immediately stop using the product and contact Best Buy for instructions on returning the product and receiving a Best Buy gift card for \$70 or \$105 in Canada.

Consumer Contact: For additional information, consumers should contact Best Buy toll-free at (800) 917-5737 between 8 a.m. and 8 p.m. ET any day, or visit the firm's websites at www.bestbuy.com (US) or www.bestbuy.ca or www.futureshop.ca (Canada).

Note: Health Canada's press release is available at http://cpsr-rspc.hc-sc.gc.ca/PR-RP/recall-retrait-eng.jsp?re_id=1439
