Subject: Target Recalls Children's Task Lamps Due to Laceration and Fire Hazards

Name of Product: Circo Children's Task Lamps

Hazard: Lamps may overheat, causing the adhesive inside the lamp socket to melt and migrate into the bulb area of the socket. The cooled glue can adhere to the light bulb base and make the bulb difficult to remove which can result in a broken light bulb, posing a risk of laceration to consumers.

Melted flammable glue that migrates onto the electrical components of the lamp poses a risk of fire.

Incidents/Injuries: Target has received six reports of glue on the lamp socket melting and migrating into the bulb area of the socket. No injuries have been reported.

Description: Four styles of the children's task lamp are included in this recall with the names Striped, Sports, Dot or Flower Dot and have a label with the UPC number on the bottom. The lamps in this recall include:

Style Name | Style Description | UPC Number
Striped | Navy-colored head, with sky blue and white stripes and blue lamp base | 490970221923
Sports | White head, with baseball stitch pattern and blue lamp base | 490970222685

Dot | White head, with lines of multicolored dots and lavender lamp base | 490970224047

Flower Dot | Pink head, with pattern of white flowers and leaves and pink lamp base | 490970221947

Remedy: Consumers should immediately stop using the lamps and return them to any Target store to receive a full refund.

Consumer Contact: For additional information, contact Target Guest Relations at (800) 440-0680 between 7 a.m. and 6 p.m. CT Monday through Friday, or visit the firm's website at www.target.com
