

February 2, 2012

Name of Product: Overarching Floor Lamp

Hazard: A short circuit can occur in the lamp's wiring, posing a shock hazard to consumers.

Incidents/Injuries: The firm is aware of at least 39 reports of short circuits in the lamp, including three reports of shock, one report of a minor burn to a consumer's finger and two reports of minor property damage.

Description: The Overarching Floor Lamp is 77 inches tall with a 19-inch diameter base and a curving arm that extends the lamp about 5 feet from the base. The arm and base are made of polished nickel. It was sold with a linen shade in the colors natural, white or charcoal. The lamp has a three-way on/off switch.

Remedy: Consumers should immediately stop using the lamp and return it to West Elm for a full store credit.

Consumer Contact: For additional information, contact West Elm toll-free at (855) 236-1941 between 7 a.m. and midnight ET seven days a week, or visit the firm's website at www.westelm.com.
